

LEVEL 3

SENCO IN EARLY YEARS SETTINGS

with  acorn
TRAINING

What is this course?

This course is designed to develop a practitioner's understanding of children's additional needs from birth to age 5 to enable and focuses on the impact of the covid pandemic on children's development. Teaching includes recognising and responding to early signs of development delays including those children with Special Education Needs and Disability (SEND).

How long does this course take?

The learning will take around 12 weeks to complete including weekly meetings with your assessor.

What is the cost of this training?

We support the Early Years Sector in the Greater Manchester area by providing **fully-funded** training opportunities. This learning is delivered as part of GMCA's three-year Skills For Growth programme, funded through the European Social Fund, meaning no cost to you or your employer.

Who do we work with?

We work with nurseries, pre-school settings, registered childminders, those working in EYFS roles within schools and any other settings who work with, care for or provide for 0-5 year olds.

How will I be assessed?

The assessor will capture knowledge through Q&A, discussion and competency through observation of practice.
