## Training Opportunities

# EARLY YEARS

# What training is available for Early Years workers?

Greater Manchester Combined Authority (GMCA) is investing in its Early Years workforce through commissioning high quality training that aligns to the GM Early Years workforce competency framework. The training will:

- Support practitioners with developing the key skills and competencies, identified by the early years system in GM, as key to improving the outcomes of young children.
- Recognise the impact Covid has had on children's development and how this offer will support early years workforce to refresh their knowledge.

## Who can access the training?

- those who live and/or work in the Greater Manchester Area
- those working within in a role supporting children aged 0-5 including those in Early Years settings and those who support the sector
- those wishing to progress in their career

## What are the benefits?

- The training is delivered as part of GMCA's three-year Skills For Growth programme, funded through the European Social Fund, meaning **no cost** to you or your employer.
- Flexible, online and work-based learning to boost skills and knowledge to develop careers working with children
- All learners who complete a course will receive a **£200 shopping voucher!**
